Dear (Contact First Name):

Finding the best solution for businesses to be able to communicate can be overwhelming. From traditional systems to hosted applications, there are a plethora of options from which to choose. What makes the most sense for your business?

Please join us to learn about today's leading edge technologies from two top integrators in Central Ohio. Chris Cameron, President of Accent Services and DGZ, Inc., will discuss hosted solutions. Paul Keith, Product and Operations Manager of Presence Management, will discuss premise-based solutions.

NOTE VENUE CHANGE: This meeting will be held at the Cologix DataCenter (picture above). The address is 555 Scherers Ct. Columbus, OH 43085.

Plan now to join us on October 8th, 2014. The meeting will kick off at 11:00 A.M. with registration beginning at 10:30 A.M. This is an easy, affordable opportunity for learning, lunch and networking. We look forward to seeing you.

Sincerely,

Laura Engle
ATP President, 2014
