

# DAS Made Easy (OK, Easier)

## The Whats, Whys, & Hows of Distributed Antenna Systems

### Event Info:

**When:** Wednesday,  
August 12th, 2015.

**Registration begins 10:30 a.m. Seminar begins at approx. 11:00 am and adjourns between 1:00 and 1:30pm depending on questions.**

### Where:

**RSL (Recovery Site Logistics)**

8235 Estates Parkway  
Plain City OH 43064

### Fee:

**Free** for the first guest from each member company  
\$10/additional attendee from each member company

\$20/non-members

Pre-registration assists us in keeping our costs down, and provides a more accurate count for seating and lunch. **Pre-register to be eligible for our door prize drawing!**

### Pre-register at:

[www.atp-ohio.org](http://www.atp-ohio.org)

The phrase, "Can you hear me now?" make cause a chuckle, but it originates from a very real need - the need for reliable cellular coverage everywhere. Can you meet your customer and employee expectations in this area? Or does your organization's building or campus have a few problem spots...places where you have to stand "just right" to make a call?

Join ATP in August as we discuss distributed antenna systems, or DAS, a way to deal with isolated spots of poor coverage by installing a network of relatively small **antennas** throughout a building or around a campus. We're excited to welcome two informative and knowledgeable presenters for this program who know DAS and the new regulations affecting it:

**Patrick Rhatigan**, Senior Business Development Manager, Central Region, for RFConnect. Pat's company develops, delivers, supports, and operates wireless and mobile solutions and applications, including DAS implementations, for organizations nationwide.

**Tim Ault**, co-founder of Coffman Media. Tim has broad-based experience in telecommunications, wireless carriers, field operations, in-building DAS, WiFi applications, and location-based technology. He has worked on large national and regionally deployed DAS projects.

Plan now to join us on August 12th, 2015. The meeting will kick off at 11:00 A.M. with registration beginning at 10:30 A.M. This is an easy, affordable opportunity for learning, lunch and networking. We look forward to seeing you.
